NOTE.—The vote of DuPage county was not included by the State Canvassing Board in canvassing the result of this election, for the reason that the total number of votes cast, as shown by the returns, was 7,215, whereas the county clerk certified that the total vote cast at the election was 2,427. It being impossible for the board to determine the vote each candidate received from the certificate of the county clerk, the vote in DuPage county was not considered, and Michael F. Hennebry having received the highest number of votes in the district, was declared elected. George B. Boardman, Progressive, filed a contest for the seat of Mr. Hennebry, which was decided by the House in favor of Mr. Boardman, after a recount of the ballots by a sub-committee from the committee of elections, its report showing the result as above. See House Journal, 1913, p. 1326.
